

This cross-sectional view shows a multi-layered substrate. The layers are labeled 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, and 113. A central raised structure is formed by layers 108 and 109, which are wider than the underlying layers 106 and 107. The structure is flanked by layers 110 and 111, which are wider than the central structure. The top surface is labeled 112, and the bottom surface is labeled 113.
